

**Who we are:**

Pro Image Design has grown to be a leader in custom signage, vehicle advertising, and branding. We service all of Michigan with offices in Traverse City, Petoskey and Torch River. We are a close-knit team that is solution-minded and driven by quality and customer service. We invest heavily in our employees, and offer an extensive benefits package along with advancement opportunities.

Vinyl and Print Production Technician

We have an immediate opening for vinyl and print production technician to join our growing company in the Traverse City area.

The ideal candidate will be a sign industry professional with a customer-focused attitude; will be dependable and self-motivated while also being a team player. He or she must possess strong attention to detail, be quality and deadline driven and have a high degree of integrity along with a willingness to continue learning. We are seeking an enthusiastic and self-motivated person who genuinely cares about what they do. We are willing to train the right applicant.

Essential Skills (but not limited to):

- Mount, trim and assemble various signage and graphic components
- Plotter and laminator operation and maintenance
- Roll to roll and flatbed printer operation and maintenance
- Vinyl & Vehicle Wrap Installation
- Maintain Product Inventory
- Fundamental computer skills to maintain job management
- Software Knowledge: Gerber Omega, Adobe Photoshop & Illustrator, Onyx RIP & Rasterlink
- Must be able to lift up to 75 lbs

Additional Skills:

- Meet deadlines and maintain excellent quality standards
- Maintain an orderly, well-kept workplace
- Interface professionally and courteously with customers
- Must have a valid driver's license & clean driving record

Pro Image design offers industry leading compensation including:

- Profit Sharing
- Blue Cross / Blue Shield with employer matching HSA
- 401k
- Paid Vacation
- Professional Development Funds

No two jobs are the same and all require critical thought processing and problem solving skills. The perfect candidate would be extremely organized, detail oriented and possess strong written and verbal communication skills. We are looking for someone who is adaptable and has a passion for excellence.

We are a Drug-Free work environment. Background checks, reference checks and drug testing will be performed.

Resumes can be emailed to alan@proimagedesign.net. No phone calls please.
